

Dear Parents,

I'm overjoyed to introduce you to Mini Motions, a co-ed preschool dance program that comes to your child's school! Your child will have the opportunity to receive dance fundamentals in our 2s creative movement classes, formal ballet and tap training, or hip hop and tumbling lessons during his or her school day. On Mini Motions Days, your child will be removed from the classroom for his or her dance class. Our classes focus on the fundamentals of each discipline. The program is progressive, so their skill set will grow each week. Three-year-olds and older Mini Motions students will cap off their season performing in the Mini Motions showcase in the Spring. The showcase is a time for all Mini Motions to show you all they have learned in class. It will be their big moment to shine on stage when they complete the season! Dance is a wonderful physical and creative outlet for both boys and girls, proven to improve focus, balance, discipline, and coordination. Your child's confidence will soar as they learn and master new skills in a loving and encouraging environment.

Please email me at katie@selahstsimons.com with any questions. Enrollment will be available online in the coming days. Enrollment fee and first month's tuition are due at the time of registration. (More payment details can be found on the FAQ form). I will also be at your school's open house, and will be taking registration then. To ensure that Mini Motions students receive the best possible class experience, enrollment will be capped at 10 students per class.

I designed Mini Motions for little ones to shine and for families to have more time together. After teaching dance to all ages and skill levels for over 10 years, I'm excited for Mini Motions to bring the joy of dance right to your child. I would be delighted to get to know you and your family this year at Mini Motions!
